Dear Morris,

Just a note to say hello and let you know that I greatly appreciate your frequent telephone calls and expressions of concern for my well-being. I am pleased to report that I seem to be riding a crest of well-being at the moment and I am just elated about that.

Further, things seem to progressing well with the Planning Committee for the Lesbian/Gay Archives of San Diego. Incorporation is done, filing for 501 (c) (3) is in progress, materials are starting to get organized, and more volunteers are joining us all the time. A major fund-raiser (an art auction) is being planned for May. So far, everyone seems to be very supportive of our vision.

I also wanted to send you a copy of the cut-and-pasted version of last December's Los Angeles Times article that they did on you. This is the way that it will appear in the "Morris Kight file" of the Lesbian/Gay Archives of San Diego. To help our file grow and remain current, I am asking that you send me copies of papers, articles, things that you write, and anything else that you may deem appropriate for our collection.

Love in the struggle,

Jess
